

# Become a **COMMUNITY JUDGE**

## **Christian Homeschool Speech & Debate**

**May 27 – June 1, 2024**  
**Union University**

We are looking for members from the community to volunteer to judge at our National Invitational Tournament of Champions (NITOC). It's fun, informative and rewarding!

NITOC is the largest middle/high school event of its kind as approximately 600 top-ranked students ages 12 to 18 from across the nation gather for this week of stellar competition.

You'll be impressed and encouraged by our outstanding students who purpose to speak boldly and change the world for Christ.

**Yes, you are qualified!**  
**No experience necessary!**
